Minimum bid is \$450.00 and bids must be sent to Ray Bartholomew, 4107 South Obee Road, Hutchinson, 67501. Do it quickly if you want this last one. Same Old Song: due to the continuing insane situation with ammo and reloading components participation in some events has been a bit off so Dennis advises we keep an eye on the club calendar. Dennis also asks that any Discipline Chairman canceling or changing any event to let Dennis know immediately.

Work Day: Executive Officer Dennis Chambers has scheduled our next work day for March 26 at 8 am so please mark it on your calendar. Bring hand tools, power tools, gloves and something to hydrate yourself with. For new members this would be a great opportunity to get in some of your required hours for the year.

Notes From Yesteryear:

Johnson tops the field

“The annual shoot for the A.K. Johnson trophy was held on the range of the Hutchinson Rifle Club in the sandhills north of Hutchinson yesterday. The shoot is usually held each Fourth of July but due to the fact that the Friesin shooting events will be held on their range, the shoot was put forward two days.

A.K. Johnson outranked Fritz English, last year’s winner, on the 600-yard range and George Dewey James placed third. The match is shot at the 500 and 600 yard ranges, two sighters and a string of 20 shots at each range to count. The match was fired under a blistering sun, with not much wind to bother the shooters.”
