

**Central Kansas Gun Club
2017 High Power Rifle Schedule**

Location: 7908 North Lorraine Street, Hutchinson, KS
Approximately 3 ½ miles north from the corner of 30th and Lorraine
(See Page 4 for Contact Information)
Eye and ear protection are mandatory for all matches!

F and F/TR CLASS and AR TACTICAL CLASSES: See notice on page 6.

SPECIAL NOTICES July 3, 2017:

#1: Thanks very much to the Board of Directors for supporting the High Power Rifle Program thru the rebuilding process after the recent wild fire and waiting out the insurance company. We'd be dead in the water thru at least today's date without their support.

#2: The Camp Valor Benefit Match has been rescheduled to run concurrent with the M16A4 Championship match on Saturday October 14. See page 5 for details.

Match Dates. Match director to be as indicated or "TBD" = will be assigned later.
If no participants are present for the New Shooter Events, then "any rifle, any sight" matches consisting of 2 sighting shots and 20 shots for record will be offered at 600-yards for any shooter who participated in the XTC match that day or who holds an NRA classification in Mid-Range or Long Range disciplines.

Date	Description	Director	Remarks
Sat 3/25	58-rd 2/3/600 XTC	TBD	Cancelled; will hold work day for range repairs.
Sat 4/1	88-rd 2/3/600 XTC	TBD	Cancelled due to fire repairs/pit reconstruction.
Sat 4/29	88-rd 200/300/600 XTC	Mauck	Camp Valor Benefit Match; weather cancellation
Sat 5/13	88-rd 200/300/600 XTC	Heger	KSRA Spring Warm-Up; Approved
Sun 5/14	88-rd 4x600	Heger	KSRA Spring Warm-Up Mid-Range; Approved
Sat 5/27	88-rd 200/300/600 XTC	Heger	KSRA Match Rifle State Championship; Approved
Sun 5/28	50-rd 200/300/600 XTC	Heger	KSRA E.I.C. "Leg" match; CMP Approved

New Shooter Event Side Matches - \$10 Match Fee

There will be “new shooter event” clinics held at 1:00 PM or immediately following completion of the regularly scheduled XTC matches on April 4, June 10, July 1, August 12 and September 2. The intent of these matches is to provide an easy and low-impact introduction to High Power Rifle to those shooters who might be intimidated by regular matches. Virtually any AR-15 or other “Modern Service Rifle” such as M1A, AK-type or thereabouts will work. Other centerfire rifles will be accommodated within these rules. Maximum of .35 caliber. Sights may be iron/open or scopes up to 4.5x (or higher power variables turned down to 4.5x or lower). Special match equipment such as shooting jackets and gloves will not be used, but spotting scopes or binoculars are recommended for scoring and spotting purposes. Elbow pads and shooting mats recommended. The course of fire and firing positions used will be fully explained and matches will be conducted in a no-pressure non-match environment. Junior shooters (age 18 and under) are encouraged to participate as long as a parent or legal guardian are present. The course of fire is as follows:

- 100-yds, Standing position, two sighting shots and ten slow fire shots for record, 12 minutes.
- 200-yds, Sitting position, three sighting shots and ten slow fired shots for record, 13 minutes.
- 200-yds, Sitting position, no sighters, ten rapid fire shots with a magazine change, 70-seconds.
- 300-yds, Prone, 3 sighting shots and ten slow fire shots for record, 13 minutes.
- 300-yds, Prone, no sighters, ten rapid fire shots with a magazine change, 70-seconds.

The 100 and 200-yd segments will be fired on the 200-yd SR-2 “bullseye” target with standard scoring procedures; the 300-yd segments will be fired on the “F” silhouette target with only hits on

the silhouette being scored.

XTC – “Across-the-Course” Matches at Central Kansas Gun Club

Rules: Current NRA High Power rules will govern. Open bolt indicators will be required, available at \$2.00 each.

Eligibility: Open to all competitors; see KSRA match bulletins for special KSRA eligibilities.

Entry Fee: \$20.00 Includes NRA Registration Fee of \$4.50. Exceptions are benefit matches consisting of the Cromwell Cup and Camp Valor matches will be \$25. Also, the 100-yard matches in August are \$15, and KSRA matches may vary.

Entries: For the months of March, April and October, registrations start at 8:30 and are accepted until 9:15 on match day, and firing starts at 9:30 SHARP. For May thru September, registration starts at 7:30 and are accepted until 8:15 on match day, and firing starts at 8:30 SHARP. Pre-registration is available for KSRA matches only.

Classification: NRA classification will be used throughout. Those not having current classification will fire as Master Unclassified. If a class has less than three shooters, those individuals will fire in the next higher class, excluding the High Master class. Service rifle and Match rifle will compete together in one classification. Any Sight Match/Tactical Rifle (ASMT) will only compete within their class. F-class shooters will be accommodated on “regular sling shooter” targets on an out-of-competition basis.

CKGC Classification: Optic sighted rifles not meeting the CMP/NRA specifications for Optic Sighted Service Rifle will fall within the Any Sight Match/Tactical (ASMT) category and will compete with them for awards.

Squadding and Scoring: All matches will be squadded and competitors will score and pull targets for each other by relays when firing the 200/300/600-yd. course or New Shooter events.

Course of Fire: 80 Shot Regional Match course. (88 shots, 800 points).

Match #1: 2 sighting shots and 20 shots for record, standing slow fire (single round loading) in 22 minutes. Distance is 200-yds using the SR target.

Match #2: 2 sighting shots and two 10 shot strings for record, sitting or kneeling, rapid fire with 1 reload in 60 seconds. Distance is 200-yds using the SR target.

Match #3: 2 sighting shots and two 10 shot strings for record, prone rapid fire with 1 reload in 70 seconds. Distance is 300-yds using the SR-3 target.

Match #4: 2 sighting shots and 20 shots for record, prone slow fire (single round loading) in 22 minutes. Distance is 600-yds using the MR-1 target.

Match #5: Aggregate of matches of 1 thru 4.

Match #6: See above for format of “New Shooter Event” matches and days scheduled for same. If no shooters are present for this match, a 600-yard “any rifle, any sight” match will be offered consisting of 2 sighting shots and 20 shots for record, prone slow fire (single round loading) in 22 minutes using the MR-1 target.

Awards: Classes will be combined upwards if less than (3) entries per class. Awards will consist of recognition only in match results for Match Winner and 1st Place for each classification, in order to justify the pit wall replacement project. Traveling plaque only for M1 and Bolt Action SR matches (100-yards). See KSRA match bulletin for award schedule for KSRA matches.

Any Rifle / Any Sight Match: 600-yard open match for center fire rifles .35 caliber or less. Telescopic sight allowed. Classification will not be used. Entry fee is \$3.00 with 100% payback to the match winner. 2 sighting shots and 20 shots for record, prone slow fire in 22 minutes. May also be offered after the 100-yard reduced matches if temperature and shooter participation levels allow, either centerfire at 600 or rimfire at 100-yards.

The Dean Nelson Traveling Trophy will be awarded to the shooter who has accumulated the most total points of all the CKGC XTC matches thru the Annual Picnic. Additionally, only scores fired using the appropriate rifle during the M1 Garand and Bolt Action Service Rifle matches in August will count toward the trophy. The New Shooter, “any-rifle, any sight” matches and KSRA matches will not count toward the trophy.

Food and running water are not available at the range. Outhouse facilities are provided.

Ammunition: Effective May 1, 2004: Shooters firing at 600-yd. targets with .223 / 5.56 mm ammunition must use bullet weights of 68 grains or heavier. Shooters who are unable to hit their target by the 3rd shot will be removed from the firing line. Shooters may only use ammunition that will maintain bullets at supersonic speeds. Shooters will be removed from the firing line for bullets that key hole at the target because of minimum velocity. Discretion and judgment of the Match Director as to what constitutes safe ammunition and equipment / rifles will prevail.

M1 Garand & M1903/Bolt Action Service Rifle Matches

Special 100-yard reduced-range matches that will follow the 50-round National Match Course of fire consisting of 10-shots each slow-fire Standing, rapid-fire Sitting and Prone, and 20-shots slow-fire Prone, with two slow fire sighting shots before each stage. Normal NRA rules for 100-yard reduced match will apply. Pits will not be used. These are non-approved matches. Special plaque awarded to Match Winner. For additional information, call Richard Reed at 620-474-6959 or email to peelsrick@hotmail.com. Followed by 22-cal any-rifle, any-sight, any-position match at 100-yards, 2-sighting shots and 20 shots for record in time limit of 22-minutes.

2017 PRACTICE NIGHT SCHEDULE

Practice nights for High Power are hereby terminated until further notice due to lack of interest.

CROMWELL CUP MEMORIAL MATCHES

Guy Cromwell was well known to Oklahoma and Kansas high power rifle shooters and passed away in 2008. Beginning in 2009 with the first match in Hutchinson, this memorial match and the Cromwell Cup Trophy formerly alternated between Hutchinson and Guy's home range at the Oklahoma City Gun Club at Arcadia, OK north of Oklahoma City. Proceeds are donated to youth marksmanship programs, with which Guy was heavily involved. It is not a bad way to be remembered, when you think about it. Beginning September 24, 2017 the Cromwell Cup Match will permanently move to OKCGC, largely because of the disparity in attendance possible between the two clubs because of club sizes. Proceeds will be distributed proportionally between the two clubs according to percentage of attendance. Note that the OKC event will be a 100-point match with two stages of fire at 600-yards.

CKGC M16A4 Service Rifle Championship And Camp Valor Benefit Match October 14, 2017

Rules: Current NRA High Power rules for AR-15 Service Rifle will govern. Empty chamber indicators are required, available at \$2.00 each. Contact John Heger, 316-209-5466, heger1959@gmail.com

Special Rules for the KSRA M16A4 Championship: Fixed power or variable scopes up to 4.5x scope are required to win championship. Variable scopes that go above 4.5x must be left at 4.5x (or lower) and it is the scorer's responsibility to police this. Match rifles, iron-sighted AR-15 service rifles or rifles using scopes set at magnification above 4.5x may participate "out of competition."

Eligibility: Open to all competitors.

Entry Fee: \$25.00 goes 100% to Camp Valor (NRA registration fee paid courtesy of Central Kansas Gun Club). Please pay by check made payable to Camp Valor if at all possible.

Entries: Registrations start at 8:30 and are accepted until 9:15 on match day. Firing starts at 9:30 SHARP. Pre-registration is available for KSRA matches only.

Classification: NRA classification will be used throughout. Those not having current classification will fire in the Master Unclassified class. If a class has less than three shooters, those individuals will fire in the next higher class, excluding the High Master class.

Squadding and Scoring: All matches will be squadded and competitors will score and pull targets for each other by relays when firing the 200/300/600-yd. course.

Awards: Traveling Trophy will be given to Match Winner (must be a CKGC member and shoot an optic-sighted AR-15 rifle as described in “Special Rules” above). Recognition only to the overall winner in each classification, provided at least three shooters in a class.

Course of Fire: 80 Shot Regional Match course. (88 shots, 800 points). Same course of fire as “XTC” matches detailed on page 3.

Eye and ear protection: Mandatory while firing on Central Kansas Gun Club property.

The Dean Nelson Traveling Trophy: Scores fired in this match by CKGC members will be counted toward the Dean Nelson Trophy.

Food and running water are not available at the range. Outhouse facilities are provided.

Ammunition: Shooters firing at 600-yd. targets with .223 / 5.56 mm ammunition must use bullet weights of 68 grains or heavier. Shooters who are unable to hit their target by the 3rd shot will be removed from the firing line. Shooters may only use ammunition that will maintain bullets at supersonic speeds. Shooters will be removed from the firing line for bullets that key hole at the target because of minimum velocity. Discretion and judgment of the Match Director as to what constitutes safe ammunition and equipment / rifles will prevail.

Location- Central Kansas Gun Club, Location: 7908 North Lorraine Street, Hutchinson, KS (3 ½ miles north of K-Mart from the corner of 30th and Loraine)

Special Notice for AR Tactical, F-Class & F/TR Shooters

There has not been any particular interest in F or F/TR class shooting at Central Kansas Gun Club, despite a wide interest in this discipline elsewhere about the country. We do not have F targets at CKGC, but would entertain a proposal to somehow accommodate an F-Class program in the future if sufficient interest presents itself. But we have to know about the interest before we will try to accommodate it. Contact the program chairmen to discuss, or present yourself at any of the 600-yard matches, and we’ll see what might be worked out.

Additionally, any F or F/TR shooter who shows up at the KSRA Mid-Range matches will be accommodated on the regular “sling” target on an out of competition basis with scores not reportable to NRA or eligible for awards. Certainly not ideal, but at least it will get you on the range!

We are also monitoring the NRA’s new provisional AR Tactical mid-range class and will gage interest and accommodate those shooters as above. More information regarding the AR Tactical class is available from the NRA 2017 rule book or is summarized on-line here:
